

Name

Soundbyte-ing Research Worksheet

Directions: Take each quote from Part 2 of the Research Project Worksheet and summarize it with easy-to-understand words.

Example

<u>Quote</u>	<u>Citation</u>
“In May 2011 the International Agency for Research on Cancer (IARC) evaluated cancer risks from radiofrequency (RF) radiation. Human epidemiological studies gave evidence of increased risk for glioma and acoustic neuroma.”	Hardell L. World Health Organization, radiofrequency radiation and health - a hard nut to crack (Review). Int J Oncol. 2017 Aug;51(2):405-413. doi: 10.3892/ijo.2017.4046. Epub 2017 Jun 21. PMID: 28656257; PMCID: PMC5504984.

Soundbyte:

“A 2011 international study showed that radiofrequency radiation increases the risk of glioma and acoustic neuroma.”
